Travel Tips

Best Time to Travel

November to February offers cool, pleasant weather. March to May is hot but perfect for beach escapes. June to October brings lush landscapes and fewer crowds.

Culture & Etiquette

Respect local customs and traditions. Dress modestly when visiting temples, remove shoes before entering homes or sacred spaces, and greet with a warm "Sawasdee Ka/Krub."

Currency & Payments

Thai Baht (THB) is the local currency. Cards are widely accepted in most hotels, restaurants, and malls. Keep some cash handy for markets and small shops.

Getting Around

Tuk-tuks, taxis, and rideshare apps are convenient in cities. Domestic flights, trains, and ferries make island-hopping easy and scenic.

Weather & Clothing

Light, breathable clothing is ideal. Don't forget sunglasses, sunscreen, and a hat. Bring a light jacket for cooler evenings in the north (Nov–Feb).

Connectivity

Free Wi-Fi is available in most hotels, cafes, and public spaces. Local SIM cards with data are affordable and easy to get at the airport or convenience stores.
